

How to Prepare for Monday

A strong Vehicle Day actually begins **before Monday**.

1. Save Your Golden Wrenches

Buy your available Golden Wrenches during the week, but **don't use them immediately**.

The State 775 guidance recommends collecting approximately:

10 from the VIP Store

5 from the Glory Shop

That's around **15 Golden Wrenches per week** based on the supplied guidance.

Keep them in your bag until Monday.

2. Save Every Module Box

Every Module Box you receive during the week should stay:

CLOSED

There's no cost to waiting.

Opening the box early means losing an opportunity to score from it on Monday.

This is especially important for:

Orange Module Boxes

3. Save Sunday's Radar Claims

On Sunday, save radar claims that can carry over.

Don't collect them early if you can let them land on Monday and contribute toward Vehicle Day.

4. Save Zombies & Boomers

Don't burn through all of your zombie and Boomer opportunities over the weekend.

Enter Monday prepared to use them when they can contribute toward your scoring.
