

Your Monday Scoring Routine

Once Monday arrives, don't immediately start spending everything you've saved.

Timing matters.

Step 1 — Check the Event Calendar

Open the **Event Calendar** at the top-right of the game.

Find the Full Preparedness window for:

Mod Vehicle Boost

Use the **Local Time** option so the calendar displays the event window in your own time zone.

Step 2 — Wait for the Correct Window

Inside the Mod Vehicle Boost window:

- Open your saved Module Boxes
- Spend your Golden Wrenches
- Use applicable vehicle items
- Hit the map

The strategy is to make the same actions contribute toward both:

Alliance Duel

and

Full Preparedness

This lets you get more value from resources you were already planning to use.

Step 3 — Claim Your Saved Radar Tasks

Now claim the radar tasks you carried over for Monday.

Step 4 — Rally Boomers

Coordinate Boomer rallies with your alliance.

Everyone who joins scores.

Step 5 — Save Orange Boxes Until Last

Don't necessarily open your Orange Module Boxes first.

Use your other saved resources and watch your progress toward the next reward box.

Then decide when an Orange Module Box is actually needed.
